MORTON E. AGANS

Do You Have Backache
Over Kidneys?
Limbs Swell?

Try to follow Mr. Agans' Advice

Albany, N. Y.—"Ever since my early boyhood I have suffered from weak kidneys and as I grew older they became worse. I got so I suffered continually with backache, my limbs would swell, my joints became stiff with rheumatism and my bladder became weak. I would have to quit my work entirely several weeks at a time. I was 'all in' and nearly 'down and out' with this ailment. Nothing seemed to give me any relief although I tried everything I could hear of in the medicine line. I was finally advised to try Dr. Pierce's Anuric (kidney and backache) Tablets and then the persistent use of this medicine I was completely cured of all my kidney ailment and bladder weakness and I have never had any trouble from these ailments since. The 'Anuric Tablets' have made a new man of me and I never fail to recommend them when I hear a complaint from anyone suffering with kidney or bladder trouble. Before I took 'Anuric' I had almost given up hope of ever getting better, but, thanks to Dr. Pierce's Anuric, I am in good health and able to work every day."

Morton E. Agans, 464 Wash. Ave.

Obtain these Anti-uric (acid) Tablets of Dr. Pierce's at your nearest drug store; or send 10c for trial pkg. to Dr. Pierce's Inval's Hotel, Buffalo, N. Y.—Advertisement.

HEALTH THE SECRET OF ATTRACTION

Women of today depend a good deal upon the modern modists and a knowledge of the cosmetic art to make them attractive. Too often there exists beneath it all a sad woman whose nervous laugh is forced smile covers a pang of agony caused by some feminine ill. To such a woman Lydia E. Pinkham's Vegetable Compound will bring health and a happy relief from her suffering, that will make her far more attractive than costly gowns and cosmetics. For nearly fifty years American women have relied upon this root and herb medicine to relieve their ailments.—Advertisement.

The Truest End of Life.
The truest end of life is to know the life that never ends.—William Penn.

"Wash day is so different now!"

MONDAY used to be a "nightmare."

When John came home, he found a make-shift meal and me too tired to be agreeable.

Now it is all so different. My Federal Electric Washer does the work. I put the clothes into the washer and in an hour or two the week's washing is on the line, cleaner than if I had spent the day rubbing it over a wash-board.

Made of Armco Ingot Iron (rust resisting), the Federal will give you years of satisfactory service.
